Letter From the President:

Dear TCLC friends and supporters:

Fall. My favorite time of year! Perhaps it is the cool, brisk air that brings relief from the summer heat, or the vivid color change of the leaves, the fall scents, or the seasonal foods and drinks that accompany the season. We look forward to football, festivals, and holidays with friends and family. Oh, how I crave the comfort of these fall traditions—the last hoorah before the snow flies.

My hope for you is that during this wonderful time of year, you can enjoy the memories and traditions made throughout your life and look forward to making new and exciting memories before this year ends and another begins.

Remember to make time to relax — cuddle up with a good book and a warm glass of cider and experience the contentment that comes with the fall season!

Autumn, the year's last, loveliest smile. ~ William Cullen Bryant

Warm regards,

Lori L. Douglass

SCHOOL SUPPLIES DRIVE ENDS NOVEMBER 1

One of the memorable parts of *Just Smile and Say HELLO* is when the author organized a school supplies drive to help out the school in Vietnam she went to as a child. In that spirit, please consider donating to help our student and schools here in Tuscarawas county.

Donation boxes can be found at your local library.
